

SpGlutWindow.cpp

SpWindow.cpp

SpWindow.h

```
graph TD; A[SpGlutWindow.cpp] --> C[SpWindow.h]; B[SpWindow.cpp] --> C;
```

The diagram illustrates a dependency structure where two source files, SpGlutWindow.cpp and SpWindow.cpp, both depend on a common header file, SpWindow.h. The header file is represented by a black box with white text, while the source files are in white boxes with black text. Blue arrows point from each source file to the header file.
