

ClassType

```
graph BT; Spark[Spark::SpReference< ClassType >] -.->|m_pkPointer| ClassType[ClassType];
```

The diagram illustrates a pointer relationship. At the bottom, a black box contains the text `Spark::SpReference< ClassType >` in white. A vertical purple line with a solid purple arrowhead at the top points from this box to a white box at the top containing the text `ClassType`. The label `m_pkPointer` is placed to the right of the arrow.
